3/6/2019

National Team Selection opportunity for Women's 2-

Date: June 15, 2019, start time is 9am first race (may be changed depending on conditions)

Location: Racice

Distance: 2km

- The testing is open to any women who have qualified through the winter tests to race for the National Team and have shown results that justify further testing.
- Crews should be ready for further testing during the day.
- If selected, the crew must be ready to prioritise potential Olympic qualification over any other commitments.
- Final world Championship selection will take place after WC III.

Any questions and entries by 6th June 18.00 to Simon.cox@veslo.cz
